PUTTING EXPERIENCE INTO PRACTICE

6020 Changes

Included with this update:

- **WSIB Physiotherapy Extension (153A) report has been added**
Locate this in the Patient Information file, WSIB Forms tab.
- **Report zoom level is now 'sticky'**
The PMP report viewer will now save the display settings that you choose. The display will not change until another setting is chosen.

- **Removal of date limits in OCF & WSIB forms for Accident Date**
OCF and WSIB forms no longer have accident date limits.
- **Resolution of HCAI Adjudication Reports 1899 date**
PMP was incorrectly reading Adjudication report dates. This issue has been resolved.
